## Enrollment Services & Financial Aid

## What is FERPA?

---

FERPA stands for Family Educational Rights and Privacy Act. FERPA is a federal law that affords students the right to have access to their education records, the right to seek to have the records amended, and the right to have some control over the disclosure of personally identifiable information from the education records. When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student (“eligible student”). The following information is provided concerning FERPA. Students and/or parents please read the information provided.

You may go online to [www.edu.gov](http://www.edu.gov) to review information on The Family Educational Rights and Privacy Act (“FERPA”), (20 U.S.C. § 1232g; 34 CFR Part 99). The following information is taken from this website in order to assist you in a better understanding of your rights and regulations as a student or parent under this law. This is in no way to be construed as complete, or as advising you of your specific rights under the law. The complete text of the FERPA regulations can be viewed at [www.law.cornell.edu](http://www.law.cornell.edu) for specific guidelines and regulations.

### Some Important Points to Note:

- FERPA is a Federal law that protects the privacy of student education records. The law applies to all schools receiving funds under an applicable program of the U.S. Department of Education.
- Parents or eligible students have the right to inspect and review the student’s education records maintained by the school.
- Parents or eligible students have the right to request that a school correct records that they believe to be inaccurate or misleading.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student’s education record.
- Schools may disclose, without consent, “directory” information such as a student’s name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them.
- Students have the right to provide written consent before the University discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
- Schools must notify parents and eligible students annually of their rights under FERPA.
- You have the right to file a complaint with the U.S. Department of Education concerning alleged failures by a university to comply with the requirements of FERPA.
- Parents/guardians have the right of disclosure concerning the use or possession of alcohol or a controlled substance, regardless of whether that information is contained in the student’s education records, if; (A) the student is under the age of 21; and (B) the institution determines that the student has committed a disciplinary violation with respect to such use or possession.

- The local educational agency shall directly notify the parent of a student, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when (certain) activities are scheduled or expected to be scheduled.

## Frequently Asked Questions about FERPA

---

### ***How am I informed about my rights under FERPA?***

Educational agencies and institutions are required to notify parents and eligible students about their rights under FERPA. Section 99.7 of the FERPA regulations sets forth the requirements for the notification, and there is a model notification on the college's website. Schools do not have to notify parents and eligible students individually but do have to notify them by any means that are reasonably likely to inform the parents or eligible students of their rights.

### ***If I am a parent of a college student, do I have the right to see my child's education records, especially if I pay the bill?***

As noted above, the rights under FERPA transfer from the parents to the student, once the student turns 18 years old or enters a postsecondary institution at any age. However, although the rights under FERPA have now transferred to the student, a school may disclose information\* from an "eligible student's" education records to the parents of the student, without the student's consent, if the student is a dependent for tax purposes. Neither the age of the student nor the parent's status as a custodial parent is relevant. If a student is claimed as a dependent by either parent for tax purposes, then either parent may have access under this provision. (34 CFR § 99.31(a)(8).) \* Note that the wording of FERPA is that "a school may disclose" not "a school is required to disclose".

### ***May a postsecondary institution disclose to a parent, without the student's consent, information regarding a student's violation of the use or possession of alcohol or a controlled substance?***

Yes, if the student is under the age of 21 at the time of the disclosure. FERPA was amended in 1998 to allow such disclosures. See § 99.31(a)15 of the FERPA regulations. Also, if the student is a "dependent student" as defined in FERPA, the institution may disclose such information, regardless of the age of the student.

# Financial Aid Checklist

Office of Financial Aid | 662.246.6263 | financialaid@msdelta.edu

- \_\_\_\_\_ 1. **Apply for admission/readmission to the college.**

All applicants must meet admission requirements to receive financial assistance. All previously attended accredited college transcripts must be submitted for financial aid purposes. *(Students must be admitted and currently enrolled in a degree-granting or certificate program.)*
- \_\_\_\_\_ 2. **Complete the Free Application for Federal Student Aid (FAFSA).**

**Step 1:** Log in to [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and click the link to create a FSA ID.

**Step 2:** Create username and password, and enter your e-mail address.

**Step 3:** Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers.

**Step 4:** Review your information; Read and accept the terms and conditions.

**Step 5:** Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it instead of your username to log in to the website.

You can use your FSA ID to sign a FAFSA right away. Once the Social Security Administration verifies your information in one to three days, or if you have linked your PIN to your FSA ID, you will be able to use your FSA ID to access the fafsa website listed above. For help, visit [StudentAid.gov/fsaid](http://StudentAid.gov/fsaid).

**Step 6:** Complete the online FAFSA application at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Include **MDCC's school code – 002416**. You must sign the FAFSA with your FSA I.D. username and password and then submit. Dependent students must have their parents sign with their FSA I.D. username and password.
- \_\_\_\_\_ 3. **Waiting Period**

The federal processor sends results to MDCC (if the school code is listed on the FAFSA) typically within 5 to 7 business days. A Student Aid Report (SAR) is also sent to the student. Review the SAR for accuracy, and ensure MDCC is listed as a college to receive your information.
- \_\_\_\_\_ 4. **Respond promptly to the MDCC Office of Financial Aid.**

If additional information is needed, the student will receive an email on their MDCC student email account from the Office of Financial Aid indicating the student has documents missing. This information is posted on the student's My Banner account. Click on Unsatisfied Requirements. Submit the requested information as soon as possible. *(The priority deadline for Fall is August 1 and Spring is December 1. Paperwork received after the priority date may not be completed by the beginning of the Fall/Spring Semester.)*
- \_\_\_\_\_ 5. **Determine if file is complete.**

If all requirements are satisfied and aid has been awarded, an award notification letter will be emailed to the student's MDCC email account indicating that they have been awarded. Award information is posted on the student's MyBanner account. **It is the responsibility of the student to check their financial aid status regularly by logging into their MyBanner account.**
- \_\_\_\_\_ 6. **Maintain Satisfactory Academic Progress (SAP)**

Students receiving any form of financial aid from MDCC will be expected to maintain satisfactory academic progress toward their degree objective. The SAP Policy can be found on the college's website as well as in the College Catalog.

## Satisfactory Academic Progress (SAP) Policy

The SAP policy outlines the minimum academic requirements to continue receiving Federal Student Aid from Title IV Funds as required by the U.S. Department of Education.

Students receiving any form of Federal Student Aid from Mississippi Delta Community College will be expected to maintain satisfactory academic progress (SAP) toward their program objective. Failure to achieve satisfactory academic progress will result in the termination of your Federal Financial Aid.

Federal Student Aid consists of Pell Grant, College Work-Study, & SEOG.

### **Satisfactory progress will be measured according to the following criteria:**

Students must pass a minimum percentage of all courses attempted and must maintain a minimum cumulative GPA (grade point average) as calculated by the Registrar's Office:

Hours Attempted - Cumulative	Minimum Required GPA-Cumulative	Percentage of Hours Passed-Cumulative
0 - 32	1.50	50%
33 or more	2.00	67%
96	Generally Not Eligible	Generally Not Eligible

Complete the educational program (major) within 150% of the published length (according to the MDCC Catalog). For example, a major or program requiring 64 hours for a degree allows a maximum of 96 attempted hours ( $64 \text{ hours} \times 150\% = 96$ ). Once a student exceeds 150% of hours needed to complete the degree, he or she will no longer be eligible for Federal Financial Aid.

**Transfer hours from other colleges** . A student's entire academic record will be evaluated to determine eligibility for financial aid, regardless of whether financial aid was received for all semesters. Official transcripts from all previous colleges must be sent to the MDCC Office of Admissions and evaluated for transfer credits and SAP before eligibility for Federal Student Aid can be determined. Transfer credits passed from other colleges that are placed on the MDCC academic transcript will be included as hours attempted, hours earned, and in the GPA calculation. Transfer credits will be subject to the same SAP standards as institutional credits, and a SAP status will be assigned to the transfer student as calculated according to this policy, prior to the transfer students first semester of enrollment.

**Effective date of this policy.** This policy will be effective beginning with the Fall 2011 term. SAP for Summer term 2011 and Fall 2011 term will be checked at the end of the Fall 2011 term using this policy. For terms beginning after the end of the Fall 2011 term, SAP will be checked at the end of each term.

**Exceeding the maximum hours that may be attempted.** Students not meeting SAP requirements due to exceeding the maximum hours attempted, generally 96 credit hours, will be placed on Financial Aid Suspension and are no longer eligible for Federal Student Aid.

**Financial Aid Warning.** Students not meeting SAP due to not passing the percentage of hours attempted or earning the minimum GPA requirements at the end of the semester will be placed on Financial Aid Warning for the next semester. Students on Financial Warning may continue to receive Federal Student Aid for one more semester. If the student does not meet SAP at the end of the next semester, the student will be placed on Financial Aid Suspension and is no longer eligible for Federal Student Aid.

**Financial Aid Suspension.** Students on Financial Aid Suspension are no longer eligible for Federal Student Aid. The student may pay out of pocket and attempt to get back into compliance with the SAP requirement or the student may appeal the suspension if there were any extenuating circumstances that prevented them from meeting the SAP Requirements.

**Financial Aid Probation.** Students on Financial Aid Suspension and who have an appeal approved will be placed on Financial Aid Probation and will be eligible for Federal Student Aid for one semester. At the end of the semester, the student must be meeting SAP requirements. Students who fail to meet these conditions of their appeal will be placed on Financial Aid Suspension. See the **How to Appeal Financial Aid Suspension** section below for more information.

Below is a chart that demonstrates the pace of progression a student must maintain to ensure completion within the maximum timeframe:

After Attempting This Many Hours-Cumulative	Percentage of Hours Attempted That Must Be Passed-Cumulative	At Least This Many Hours Must Be Passed-Cumulative	Minimum Cumulative GPA Must Be At Least
6	50%	3	1.50
12	50%	6	1.50
19	50%	9	1.50
24	50%	12	1.50
32	50%	16	1.50
33	67%	23	2.00
48	67%	33	2.00
63	67%	43	2.00
75	67%	51	2.00
84	67%	57	2.00
95	67%	63	2.00
96	Generally not eligible	Generally not eligible	Generally not eligible

If your program of study requires more than 64 credit hours earned for a degree to be conferred, according to the MDCC catalog, the maximum number of hours you may attempt will be the number of hours required by the MDCC Catalog multiplied by 150%. You will still need to pass at a minimum 67% of all work attempted and maintain a 2.00 minimum GPA to be eligible for Federal Student Aid.

**Withdrawals.** Withdrawals (Final Grade of “W”) for classes attempted at MDCC will count as hours attempted.

**Remedial Classes.** Developmental studies classes will be treated the same as regular classes.

**Incomplete Courses.** Grades of incomplete remain an (I) for a period of one year. At that point, if the course has not been completed and a grade recorded, then the I becomes an F.

**Repeat Courses.** Repeat courses will count as hours attempted but only once in hours earned. If the student passes the course, then only the highest grade on the repeated courses will be included in the GPA calculation.

**NOTE:** If you have been academically dismissed or placed on academic suspension and wish to appeal that status, you should contact the Office of Admissions for instructions. Completing an appeal of Financial Aid Suspension will not correct your academic standing. Likewise, being readmitted through the Admissions Office will not automatically remedy your Financial Aid Suspension.

**Notification of Ineligibility.** Attempts to notify all students by mail and/or email to the MDCC email account will be made; **however, all students will be responsible for checking their “MyBanner” account to see their official status.**

**How to Appeal Financial Aid Suspension.** Any student being denied Federal Student Aid due to not meeting SAP requirements may appeal due to an extenuating circumstance (such as illness of student, severe injury of student, death of close relative of student) or hardship (such as lack of transportation, incarceration of student, or military service) as determined by the Financial Aid Director or Appeal Committee. Appeals will be considered on their own merit. Appeals may be denied. Students will be notified by regular mail. Appeals will generally be reviewed within 45 days after receipt. Appeals received after the appeal deadlines for each semester will generally be effective for the subsequent term. See the appeal form for the deadlines.

**How to File an Appeal.** Submit a “Satisfactory Academic Progress Appeal” form available in the Office of Financial Aid or on the college’s website by selecting **Current Student > Financial Aid > How to Apply.**

Students must explain the reason why you failed to maintain SAP and explain what has changed in your situation that will allow you to demonstrate you can make SAP at the end of the next term, if your appeal is approved. Attach any additional documentation such as accident reports,

physician's statements, third party affidavits, etc., you may have. Appeals and other documentation may be delivered in person, by mail, by email, or by fax to the MDCC Office of Financial Aid. Include your Banner ID number, your social security number, and your complete, legal name on the appeal.

Each appeal will be considered on its own merit. The Appeals Committee will review the appeal, and the Office of Financial Aid will respond to the student within 30 working days. You may also check the status of your appeal on your "MyBanner" account at [www.msdelta.edu](http://www.msdelta.edu).

Appeals are limited to one per student except in extreme extenuating circumstances. All appeals with the exception of the maximum credit appeal will be granted for one semester only and the student will be reviewed for satisfactory academic progress at the end of that semester before being granted financial aid for additional semesters. The maximum credit appeal, if granted, will allow the student to complete the program of study that they are enrolled in as long as they are making satisfactory academic progress.

**Payment and School Withdrawals.** Students are responsible for all tuition and fees incurred unless officially withdrawn/dropped from courses. If a student officially withdraws from a course or from all courses within the first two weeks of the Fall or Spring semesters, the charges for that course or those courses will be credited to the student's account.

When a student (officially or unofficially) withdraws from or drops a course or courses, all financial aid is adjusted based on the current enrolled credit hours. Therefore, students may owe a balance even if previously eligible for financial aid. Furthermore, students must attend at least 60% of the semester in order to receive financial aid.

For information and questions regarding official school withdrawals, please contact the Office of Advising at 662.246.6240.

## Business Services

Dear Parents, Guardians, & Students:

Thank you for choosing Mississippi Delta Community College to achieve your (or your student's) educational goals! To help you get started, there are a few items to consider as you prepare for the upcoming school year.

Upon acceptance, students are assigned an MDCC-issued student ID number that will be used throughout their enrollment at MDCC. Students will need this number to access the "MyDelta" portal where they can view your student account balance information, unofficial transcripts, class schedules, student email, and other pertinent information.

If you (or your student) have not yet completed the Free Application for Federal Student Aid (FAFSA), you can do so by visiting [www.fafsa.ed.gov](http://www.fafsa.ed.gov). This form is required for **all** financial aid awards through MDCC. **The FAFSA should be filed prior to registering for classes.**

No charges (other than tuition) can be made against financial aid that is not "authorized". If students wish to "charge" books, parking decals, fines, or other program and miscellaneous fees against their financial aid, they must submit a **Title IV Authorization** form. The authorization form can be found on the college's website by clicking on **Paying for College > Scholarships & Aid > How to Apply** (scroll down to forms) > **Title IV Authorization Form**. Students will be able to complete and submit the form online.

If students do not receive enough Federal financial aid and/or institutional scholarships to pay their entire account balance, refer to the Fee Payment Schedule on the college's website to plan for making timely payments on your student account. The Fee Payment Schedule is posted on the website by clicking on **Paying for College > Tuition & Fees > Tuition and Fee Schedule by Term**. **Posted fees are estimates and are subject to change per Board of Trustees' approval each calendar year.**

**Note:** Students are responsible for all tuition and fees incurred unless officially withdrawn/dropped from courses within the appropriate timeline for each session. If a student officially withdraws from a course or from all courses within the appropriate dates, the charges for the course(s) will be credited to the student's account.

Additional information is available on our website. If you have any questions, please contact the Office of Business Services by calling **662.246.6312** or emailing [studentaccounts@msdelta.edu](mailto:studentaccounts@msdelta.edu).

Welcome to Mississippi Delta Community College!

Sincerely,

Marsha Lee  
Vice President of Business Services

## STOP! Before You DROP that Class!

- Be aware of refund dates. If you drop a class, you will still have to pay for it!
- Dropping a class may affect your financial aid status for Pell grant now and in future semesters. Ask a Financial Aid staff member to be sure!
- Dropping a class may affect scholarships, VA benefits, and other aid programs. Be aware that in most cases, you will lose money, and you may lose the entire scholarship or benefits. Ask your sponsor how dropping a class will affect your Athletic or Activity scholarship. Ask the VA representative in the Office of Financial Aid how dropping a class will affect your VA funds. Ask a staff member in the Office of Financial Aid to be sure how dropping classes may affect your federal and state aid programs.
- Have you talked to your instructor about dropping the class? Ask your instructor for advice. Hang in there if you can!
- Is the class a pre-requisite for another class you need? Will dropping this class delay graduation or transfer plans? Ask your assigned advisor to be sure!
- Are you working too many hours? If so, is there another solution? More work hours often leads to lower grades.

### Dropping Individual Courses & Official College Withdrawals from All Courses

To drop *individual courses*, students are required to contact the course instructor.

In order to *officially withdraw* from Mississippi Delta Community College (and drop **ALL courses**), students may do so in the following ways:

## Student Services

Dear Parents, Guardians, & Students:

So much of the college experience happens beyond the classroom. Whether developing friendships in the residence hall, studying at the Library, grabbing a sandwich at the Vandiver Student Union, or participating in Recreational Sports at the J.T. Hall Coliseum, these innovative programs and services are offered by the Office of Student Services. Our goal is to support students throughout their college experience by creating a campus culture that engages all students and inspires them to change the world!

Most students involved in healthy activities outside of class get more out of their college experience. Students, Find an organization to join. Knock on the doors at your residence hall, and meet your neighbors. Go to an event at the Vandiver Student Union. Go to the library, and check out a movie. Move beyond the comfort zone of what you did before you came to college, and see what happens!

Studies have shown that students who are able to integrate their in-classroom and out-of-classroom experiences may reap greater benefits such as achieving higher grade point averages and graduating.

Students, Get involved, and take advantage of all the opportunities and resources that Mississippi Delta Community College has to offer!

Sincerely,

Derrick L. Fields  
Dean of Students

## CAMPUS SAFETY: Clifton King, Campus Police Chief & Director of Public Safety

The main purpose of the Mississippi Delta Community College Police Department is to protect the lives and property of individuals and to keep order on the campus. This is for the general welfare of all students, faculty, and staff of the MDCC community. The police officer is also to serve as an information officer for visitors and parents of students currently enrolled at MDCC. His/her job is one of being a friend and confidant to students, faculty, and staff. His/her job is not to be viewed as that of a strict disciplinarian; although, he/she shall at times be required to report students who are in violation of current college policy.

The police department of MDCC has three distinct roles of responsibilities to fulfill in the total program of education of students at MDCC. These roles are prevention, enforcement, and education. The following outline lists these with a short explanation of each.

- I. Prevention:  
Prevent the willful destruction of personal, college, state, or federal property.  
Preventing any act which may draw unfavorable attention to an individual or the college.
- II. Enforcement:  
Enforce all local, state, and federal laws in addition to all college rules and regulations, and report violations.
- III. Education:  
Take time to answer questions of students or visitors on campus. Strive to make an impression of friendliness and provide assistance. The police officer has the greatest opportunity to influence individual students on campus.

Our mission is to promote responsibility and standards of conduct for Mississippi Delta Community College students through a fair and objective process. By fostering concepts of fairness, civility and encouraging personal responsibility, our office strives to ensure a safe and healthy campus community.

As a service focusing on student rights and standards, the Office of Student Services has the following core functions:

- Administer the code of conduct while ensuring the principles of due process.
- Serve as an advocate and a resource for students, faculty, staff, and parents concerning student conduct and expectations of MDCC students as outlined in the student handbook.
- Assist and counsel victims and those accused of conduct violations.
- Offer conflict/dispute management.

## TITLE IX OF THE EDUCATION AMENDMENTS OF 1972

**What does it mean to you?** It means that you are protected against sex discrimination in your education and programs and activities at MDCC. Sex discrimination includes harassment and sexual assault or violence which is absolutely not tolerated. MDCC will uphold the law and respond by protecting the victim and community by conducting prompt and thorough investigations.

**Did You Know That MDCC has a Title IX Coordinator?** The Title IX Coordinator is Derrick L. Fields, and his office is located in the Vandiver Student Union. He can be reached at 662.246.6442 or at [titleixcoord@msdelta.edu](mailto:titleixcoord@msdelta.edu). Please contact Mr. Fields to file complaints under Title IX. Mr. Fields will be providing training on Title IX, providing oversight of and conducting investigations, and monitoring the College's compliance with Title IX.

**You can also file complaints with the Department of Public Safety at 662.246.8011 which is available 24 hours a day.**

You can also contact the enforcement arm of the Office of Civil Rights, (OCR), U.S. Department of Education, if you have questions about sex discrimination, or have been a victim of sex discrimination. The District of Columbia office is located at: U.S. Department of Education, 400 Maryland Ave., SW Washington, DC 20202. Phone: 202.453.6020; Fax: 202.453.6021; TDD: 800.877.8339 or [OCR.DC@ed.gov](mailto:OCR.DC@ed.gov)

**What does sexual harassment look like?** It is unwelcome touching or physical acts of a sexual nature, unwelcome comments or jokes, emails or other messages with unwelcome or offensive sexual context that has the purpose or effect of unreasonably interfering with your educational environment or creates a hostile learning environment.

**What is sexual assault?** Is any sexual intercourse by any person upon another with force and **without consent**. It includes oral, anal and vaginal penetration, to any degree, with any object.

**What does consent look like?** Informed, freely given, mutually understandable words or actions that indicate a willingness to participate in a mutually agreed upon sexual activity. Effective consent may never be obtained when there is a threat of force or violence, or any other form of coercion or intimidation. Consent cannot be obtained from someone (adult or minor) who is mentally or physically incapacitated whether due to drugs, alcohol or some other condition. Silence or lack of active resistance does not imply consent. Intoxication is not an excuse for failure to obtain consent. A unconscious person incapacitated by alcohol or drug consumption, or who is unconscious or asleep or otherwise physically or cognitively impaired, is incapable of giving consent.

**Note: It is important to think before you act, and be sure that the other person can reasonably understand the situation and can actively consent.**

## STUDENT HOUSING: Emily Kathryn Simmons, Director of Housing

The college residence halls are equipped to house (258) men and (234) women, respectively, and are located on the main campus only. Each room is completely furnished with a single bed, bunk, wardrobe, and desk. Each resident is responsible for producing his or her own bed linens, towels, pillows, and toiletries.

Be advised that no cooking electrical appliances with a heating element will be allowed in the room as such appliances pose a potential fire hazard. For example, coffee makers, toaster ovens, and electric grills are prohibited.

Confirmation of room assignments are typically made by mid-June for the entering freshmen class. Additional confirmations are made as space becomes available. Students from our seven supporting counties as well as in-state students are given preference over out-of-state applicants unless justification is given.

Applicants for on-campus housing must complete a housing application, which requires a \$75.00 non-refundable application fee that is paid to the Office of Business Services. Applications can be requested from the Office of Student Services or downloaded from the MDCC website.

Students who are privileged to reside on campus will be responsible for any and all property damage in their assigned room. **Note: Any damages noticed upon moving into the residence hall must be reported immediately to avoid a possible fine.** Residents must maintain full-time status (12) hours and a 1.75 grade point average to retain their residential status. The Housing Staff must authorize all room changes.

\*Be advised that MDCC reserves the right to inspect rooms and investigate any suspicious or suspected illegal activity within our residence hall. Our Housing Staff will also conduct announced and unannounced room checks randomly to ensure that the living quarters and furniture are being maintained according to the set standard.

### **Property Insurance**

You do the best that you can to protect your children while they are home. Whether they are on campus or off, their valuables should be insured against theft, fire, and water damage. Check with your homeowner's insurance to see if it will cover your student's belongings at college.

While Mississippi Delta Community College does not endorse any specific insurance company, students have typically found coverage with these companies:
